Pathway to scout hall.

The 7th Banstead Scout hall is located at the very end of the path beside the Methodist Church which is on the corner of The Drive and Woodgavil in Banstead. The postcode is SM7 1DA.

There are some no right turns along this part of the A217 if you are travelling from the direction of London. We suggest that you drive south along the A217 and turn right at the traffic lights into Tattenham Way. Take the first right into Picquets Way, turn right into The Drive and before you meet the A217 again you will see the church set back on the left which is quite modern with a silver spire. If you are driving from the south or from the M25 turn left into Tattenham Way and follow the instructions above.

Please park in the car park on the opposite side of the road from the church or if full in The Drive or Woodgavil.
